

Costs/Course Fees

For many small businesses and childcare settings, who have limited budgets, you may expect staff to contribute to their own fees and in some cases take unpaid time off to attend the training. Settings need to be sure that such arrangements are fair with a reasonable balance between the employee and employers contribution/cost.

Remember training grants can often be available to help with course fees - See [Wiltshire Training Grants](#) page for further information on the training grants and incentives available to Ofsted registered childcare settings in Wiltshire.

Tip!

Why not send one or two members of staff on a training course/conference and then get them to share what they have learnt with the rest of the team.
