Time: 9am -5pm,

Trainer: Ruth Parsons at Woodland Learning

www.woodland-learning.co.uk

This is a three day course aimed at Childminders who want to build their knowledge and confidence in how to safely use equipment and tools in the outdoors. Woodland Learning staff will introduce basic woodland skills and individuals will be required to demonstrate a basic knowledge of the flora and fauna in a woodland area. The course will allow participants to use the outdoor environment as a tool to facilitate different learning styles and to develop personal skills such as confidence and self-esteem. **Participants must attend all three days.**

Portfolio completion will take place during the course and should be handed in on the last day.

Like all outdoor training courses you need to expect to be outside and wear appropriate warm and waterproof clothing/footwear.

Course Costs: £75.00 (subsidised rate)

*The full course cost is £275 but will be subsidised for Childminders registered in Wiltshire.

To apply please call Bright Horizons on 0845 601 2392 for a booking form. Please note that payment needs to be made prior to the start of the course.
