

# BESPOKE MANUAL HANDLING COURSE FOR CHILDCARE WORKERS

## Manual Handling Theory CIEH Level 2 Certificate

*Trainer: Bob Jones ~ Firethorn Training*

This half day course will cover manual handling of buggies, lifting babies/children in and out of cars, lifting of children in a childcare setting and the lifting of boxes or large objects within the setting. Practical assignments will be included in the course to re-enforce the manual handling theory.

Successful completion of this course will give the certificate in Manual Handling Theory only.

We anticipate a high demand for places on this course so **book early to avoid disappointment.**
